From the General Public

“I wanted to let you know how much I LOVE the Wellness Show. I live in Alberta and intentionally plan a trip to Vancouver every year at the time of the Wellness Show so that I can attend. Access to the latest health and wellness trends and best practices all under one roof – so fantastic. Where possible I take advantage of the show specials and stock up on product to take home. I always bring a large suitcase! The gift bag at the door is always nice to receive, and the magazines are a good read as I do not have access to them at home. As far as I’m concerned, The Vancouver Wellness Show is one of my favourite ways to vacation. Yummy treats, great health advise from experts in the field, and great deals on products that I would otherwise have not discovered. My mind, my soul, and my belly are edified! Wishing you ongoing success!”
